Specials

We can customize your road plates and crossing plates entirely up to your wishes. Any length (i.e. 6.000 linear meter or even longer) is possible, special wide widths available on request (maximum width 1.500mm). No pallets are required for lengths up to 4.000 mm (so, no pallet registration, packaging costs or return shipments necessary).

Additional options

- Milled handles
- Engraved icon and /or company name.
- A company coloured top layer.
- Labelling in colour with your company name, logo etc.
